

Šimon Mackanič

IT STUDENT / CONTENT & DIGITAL PROJECTS

Blansko, Czechia · simon10mac@gmail.com · +420 735 275 305

simonmackanic.eu · [LinkedIn profile](#)

IT student with experience building monetised YouTube channels and configuring agency workflows in GoHighLevel. Seeking paid, part-time remote work in content, marketing or digital project support, with opportunities to learn from experienced colleagues.

RELEVANT EXPERIENCE

YouTube Creator & Channel Owner

Independent projects | 2022–present

- Built and monetised gaming channels, including a Roblox channel with 68,000+ subscribers.
- Plan content and use YouTube analytics to inform publishing and creative decisions.
- Coordinate contributors and review video work alongside my own content creation.

GoHighLevel Workflow Support — OWI

Completed collaboration | 2026; on-site in Bratislava in July, followed by remote work

Main project: **Naturálka** — GoHighLevel workflow implementation, with colleague review.

- Built quiz-based segmentation using conditions, tags, custom fields and CRM opportunities.
- Configured segmented email sequences, waiting steps and email-click CRM updates.
- Set up inbound webhook workflows and post-purchase email follow-up.

IT Intern — Synthon

School placement | May 2026

- Supported preparation and configuration of employee laptops and IT equipment.

Production Assistant — Johnson Controls

Summer job | August 2025

- Assisted with manual assembly of electronic components and instrument modules.

EDUCATION

SPŠ Jedovnice — Information Technology

2024–2028 | Expected graduation: 2028

Secondary technical education, including computer systems, networks and hardware.
